Response number: 3 (Anonymous)

() Please rate your overall learning experience of the module.

Very good

() What aspect of the module did you like and why? (Give your view by writing in the box below)

I enjoyed working as part of a team, especially since we were all motivated to be the best we can. The result being a rewarding project that was very successful

() What aspects of the module could be improved - how and why? (Give your view by writing in the box below)

I think the module is very well organised and the lecturer very approachable and always happy to help.

() Please rate your overall learning experience of the module.

Very good

() What aspect of the module did you like and why? (Give your view by writing in the box below)

Group approach

() What aspects of the module could be improved - how and why? (Give your view by writing in the box below)

Difficult to do without a PM appointed but that would be difficult to do with a group of students anyway so not sure what can do on this

## Week 6 Questionnaire
