

DEVELOPMENT AND PLANNING IN AFRICAN CITIES: EXPLORING THEORIES, POLICIES AND PRACTICES FROM SIERRA LEONE

WEEK 1 Introduction to development and planning

STEP 1.6 What do development and planning mean to you?

We would like to encourage you to start the course by answering these two questions:

- What does 'urban development' mean to you?
- What does 'urban planning' mean to you?

There is no right or wrong answer. These answers will be useful for you to look back on at the end of the course and assess if you gained any new insights, or if your understanding of these concepts has changed. Moreover, your responses will provide us with a snapshot of the diverse perspectives on these two key concepts. Please write a short paragraph per question and post your answer below.

If you find someone else's input particularly insightful or feel that it resonates with your perspective, tell them by answering to their post, or by providing a 'like'.
